Sir:

Prior to examination on the merits, please amend the
referenced application as follows:

IN THE CLAIMS:

Please add claim 32 as follows:

--32. Apparatus for presenting content pages intended for
use with a presentation style sheet, the apparatus comprising:

A1
a processor arrangement for (a) retrieving a content page to
be presented, (b) determining a presentation-controlling location
and (c) retrieving a presentation style sheet in dependence on said
presentation-controlling locality; and

an output device connected to be responsive to the processor
for deriving a signal enabling presentation of the retrieved
content page using the retrieved style sheet.--
